2026

**The faithful love of the LORD never ends! His mercies never cease.
Great is his faithfulness; his mercies begin afresh each morning.
Lamentations 3:22-23 NLT**

Teen Time students look forward to fellowship time each week. They also love to eat! It is a priority that we pray for ther requests, check up on answered prayers from previous meetings, and thank God that He listens to and answers our heartfelt needs. Please pray for our faithful students as they learn to share the gospel with family and friends this spring. Pray that they commit important Scriptures to memory and use the tools we give them to share their faith at home, on their school campuses, and where they work.

Kids Club students LOVED the Gifts of Love Christmas celebration in December and were anxious to resume Kids Club in January. Many have already learned over half of the eleven verses they have been challenged to learn for the year as well as New Testament Books of the Bible. There are 50 on our attendance record presently and we look forward to the Spring Semester learning more about the life of Jesus. Some of our fourth and fifth graders are looking forward to spending a week at His Hill Ranch Camp in June. Thank God for this continued opportunity in a public school.

Colonial Hill Elementary School staff are thrilled when we arrive each month with staff encouragement gifts to brighten their days and remind them that over 125 individuals are praying for them routinely. We enjoy treating them to breakfast three to four times a year, praying with them on campus when requested, sharing our faith as they ask, and giving hugs and words of encouragement in the hallways. It is a blessing to have developed and invested in the lives of this amazing community. Please thank God with us for the wonderful partnership we have built these last 18 years.

I am generously supplied with the gifts you sent me with Epaphroditus. They are a sweet-smelling sacrifice that is acceptable and pleasing to God. And this same God who takes care of me will supply all your needs from his glorious riches, which have been given to us in Christ Jesus. Philippians 4:18-19 NLT

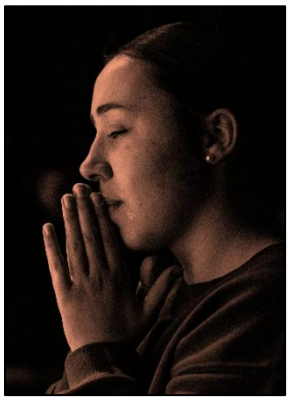
Thank you to everyone who gave to One Way International in 2025! Thank you to everyone who prayed for God's provision in 2025! Your prayers and girfts supplied our ministry needs and we believe were indeed a "sweet-smelling sacrifice…acceptable and pleasing to God." **We would ask you to continue to pray and give as you are able to supply the needs of the ministry in 2026.** It's your prayers and sacrificial gifts that allow us to continue Kdis Club, Teen Time, school supplies, Food for Families, coats and jackets for students, camp scholarships, and all the general expenses which are part of doing ministry such as insurance, salaries, postage, and everyday supplies. In 2026 we are beginning to save money to purchase a new copier. Ours will no longer be supported for maintenance after April 2026. The estimated expense for a new USED copier is $9500. One Way International has a no-debt policy which requires that we must have the finances needed before we purchase large ticket items. We depend on God's glorious riches for this future purchase need. If you would like to give towards the copier need please make a note **"copier"** on your donation.

Thank you to each of you who have given a donation through Champions fore Charity designated for One Way International. You can still make a donation for OWI through this fundraiser until the April deadline for giving. Upon the end of the Valero Texas Open fundraiser, nonprofits which have donations totaling over $1,000 receive an extra 7% fadded to the total rom Valero for their particiation. If this ia a way you believe God would want you to give for ministry needs please use the enclosed brochure to make your donation. Thank you in advance for your condsideration.

Jesus said, "Let the children come to me. Don't stop them!
For the Kingdom of Heaven belongs to those who are like these children."
Matthew 19:14 NLT

Pray for families to allow students to attend His Hill Ranch Camp in June. Students learn Bible lessons through chapel teaching, skits, and cabin Bible studies. They love the food and activities such as horseback riding, swimming, canoeing, crafts, and making new friends. This is a once-in-a-lifetime experience for some of our Kids Club students. Pray that families would be comfortable allowing their students to attend and that nothing would prevent them from going once they are registered.

Please keep the families in mind who will register for school supplies this year. If you see supplies or backpacks at a good price and want to pick them up, we are happy to accept them at any time. School supplies are a real encouragement to the students with whom we work. Students receive much needed supplies as well as tracts, devotionals, New Testaments, or other spiritual materials. We pray for students as we give out the supplies and this outreach is an opportunity for major impacts on families.



Prayer has been the focus of our check-in leaders with ten middle school helpers at Kids Club this year. Each week our leaders and students spend time studying the Word and prayer. This has led to spiritual growth in this special group of young people who return to serve alongside our adult team after they have moved on to middle school. Thank the Lord for this group of young people. Three of them also attend Teen Time with a hunger to grow in the Lord.

The Lord has done great things for us; We are joyful.
Psalm 126:3 NASB

The faithful love of the LORD never ends! His mercies never cease.
Great is his faithfulness; his mercies begin afresh each morning.
