Teen Time students continued to be faithful coming to learn about the Bible and how to live life following Jesus daily. After Christmas break, we planned to resume Teen Time in January but with a rise in Covid 19 numbers in San Antonio, our restart date was postponed until February. Please pray for these students and their families as they face life in such challenging times. Pray that their faith will strengthen and grow in the Lord.

In January, I was able to record a Bible teaching lesson at The Christian School at Castle Hills for a chapel shown in classrooms on January 29. It was amazing to join longtime friend and Elementary Principal Lisa Jacobs for the recording. Things I have missed most because of Covid 19 are the opportunities to teach God's Word and the in-person contact with those to whom we minister. I thank God for this exciting and special chapel opportunity.

What's Ahead?

Our God has been faithful to the ministry of One Way International. We continue to be available for all ministry opportunities which God sends our way through this pandemic. We look forward to starting Kerrybrook Kids Club in the spring—continue to encourage staff at Colonial Hills Elementary through prayer, appreciation gifts, and communication with school staff—pray for the opportunity to resume Kids Club at Colonial Hills Elementary School next fall—and look forward to all other assignments God gives us along the way.

Thank you to those of you who have already made donations through Champions for Charity on behalf of One Way International. We so appreciate your gift. This is our spring reminder for those of you who may still want to give with the +7% benefit. The opportunity runs through April. See the enclosed brochure for more information.

Please pray for:

- continued opportunities for ministry in person and from a distance
- health and safety of those we minister to and the staff of OWI
- volunteers ready to come back as we are able to minister in person
- new volunteers to join our teams—applications are being taken now
- God's direction to be the hands and feet of Jesus wherever He calls
- continued prayer and financial support for One Way International

We continue to love serving at Colonial Hills Elementary School and Kerrybrook Apartments. We're hoping to start Kids Club at Kerrybrook Apartments again in the spring if covid cases are down enough to safely bring the children together.

Thank God with us for a new volunteer and please pray for others to be comfortable enough to work with the children, teens, and adults again as more ministry activities reopen.

We are so thankful for your interest and sacrificial investment in the work of One Way International.

With gratitude and appreciation, Joyce Velasquez—Executive Director
