Not to us, Lord, not to us but to your name be the glory, because of your love and faithfulness. Psalm 115:1

School Receptionist

Administrative Secretary & Office Secretary

Campus Security

Through One Way International, in partnership with Wayside Chapel, we have many opportunities to serve our community. We pray for and with school partners, serve special staff breakfasts and lunches four times a year, and provide monthly staff appreciation gifts to encourage all campus staff of God's love and care for them. Recently, one of the Colonial Hills Elementary teachers wrote this note of gratitude for the presence of our team on campus.

"Dear Wayside Chapel,
(Our monthly gifts displayed in the photos above are signed, "Your friends from Wayside Chapel")

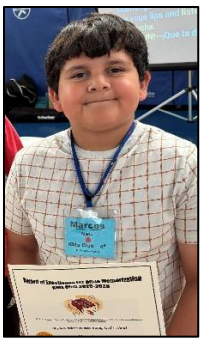
I want to take a moment to express my deepest gratitude for the incredible support and encouragement you have shown to Colonial Hills Elementary. From the beautiful prayer at the beginning of the year, to the thoughtful trinkets and small gifts throughout the weeks, to generous donations of clothing and supplies, even the uplifting words of affirmation, and especially the prayers—every gesture has meant more than you know.

In all my years as an educator, I have never felt so supported by a church community, especially one I don't even attend. Your kindness, intentionality, and unwavering encouragement lift us up and help keep us steady as we pour into the lives of the children we serve each day.

This is my first year here, and I am truly in awe of the love and care you extend to our campus. You are a blessing to us. May God richly bless you and each of your members for everything you do for our school and for this community. What you do makes a real and lasting difference.

With heartfelt appreciation,
Ms. R"

We thought you would enjoy reading about the gratitude expressed by a staff member from the school in which we serve and regularly pray for. To God be the Glory!



Aren't these faces beautiful? Kids Club Bible Club is our main weekly evangelistic activity. Thirteen students had perfect attendance and 27 students earned Bible memory awards this year. We acknowledge students who have attended Kids Club from 2nd-5th grades annually with a plaque and pray with each graduating 5th grader as they leave elementary school to go into middle school. We are so blessed to be able to be part of these precious children's lives. This has been an incredibly wonderful year. Parents often verbally thank us for doing Kids Club for their children, but we rarely receive such a letter as I was given from the following 5th grade mom. Receiving such sweet affirmation encourages our team and reminds us that we are making an impact in the lives of not only students in an after-school Bible club but in the families in which they live. To God be the glory!

Kids Club Crew,

Oh, how this year has flown by! Thank you for showing and teaching God's love to all the Colonial Hills kids who have been blessed to be a part of this wonderful program. I have personally seen Joseph's understanding of his faith and love grow because of Kids Club. He always quotes his verses to us and shows off his memorization skills at home. We have loved watching him teach his little siblings all about Jesus and read his sister his Bible during story time. It has been such a pleasure getting to know a few of you wonderful people. Thank you for your goodness and kindness. We sure will miss you! AP

Not to us, Lord, not to us but to your name be the glory, because of your love and faithfulness. Psalm 115:1

We are an ordinary group of people with an extraordinary opportunity to make a difference in a public school. We make copies, reshelve books in the library, help with book fairs, do lamination, tutor in classrooms, serve special occasion breakfasts and lunches to staff, bring encouragement gifts to staff, and do an after-school Bible club. We LOVE what we do! We have opportunities to pray with staff, get to know them and their needs, get to know students and their family's needs, and are blessed to be invited into the Colonial Hills community. The last lesson in Kids Cub this year was entitled, "Go and Tell," encouraging each of the students and our team to share what we know about Jesus with others around us. Students memorized verses such as John 3:16, Romans 3:23 and 6:23, I Corinthians 15:3-4, Acts 16:31, and I John 5:13 throughout the year to share with others. They learned how to share the gospel through lessons taught, small groups, and group counseling times. It is a privilege to work alongside God as He makes Himself known in this community we call "home." To God be the glory!

Not to us, Lord, not to us but to your name be the glory, because of your love and faithfulness. Psalm 115:1

He is risen! He is risen indeed!

You may recognize this picture from the OWI 2026 calendar. I wanted to take a moment to share with you about the student who created this painting. She is a seventh grader who attended Kids Club while she was at Colonial Hills. She now attends Jackson Middle School across the street from Colonial Hills. She is one of the faithful students who come and help us at Kids Club each week. She also attends Teen Time and is a strong believer in Jesus. She is active in sports in her school, is a talented artist, and works very hard academically. Arely's mom has lupus, and her grandmother has cancer. This young lady is a total delight in our lives. She is one of the precious ones you support and pray for as you support and pray for this ministry. There are many more amazing students whose lives you are impacting with your prayers and gifts. Thank you so very much for being a faithful friend and partner of One Way International! To God be the glory!

Not to us, Lord, not to us but to your name be the glory, because of your love and faithfulness. Psalm 115:1

Ministry Updates:

We're continuing to produce and edit content for our new website. To date we've re-written and updated artwork on our gospel tract, counseling card, evangelism training document, gospel bookmark and our second birthday booklet. Whether you're seeking to print out our material yourself or would like to pay for professional printing, in the future these will all be available on our website in our gospel material storefront.

Champions fore Charity fundraiser for 2025/26 has ended and we are grateful to all who gave toward OWI! We are abundantly thankful for the $2347.00 received. Thank you so much!

We have 9 students attending His Hill Ranch camp this summer. They are excited for the opportunity to go to an overnight camp in Comfort, TX. Please pray for the students to have a safe and wonderful time being in God's great outdoors. Also, pray for them to grow closer to God and all that He has planned for them through this experience.

Your financial gifts are indeed a "sweet-smelling sacrifice…acceptable and pleasing to God." **We invite you to continue to pray for and give as you are able to supply the needs of this ministry.** It's your prayers and sacrificial gifts that allow us to continue Kids Club, Teen Time, school supplies, Food for Families, and all the general expenses which are part of doing ministry including insurance, salaries, postage, and daily/monthly costs. Thank you for supporting all OWI ministry needs with your prayers and financial gifts.

Please keep OWI in mind as you begin to see school supplies on store shelves this summer. We provide approximately 75 sets of school supplies for students with whom we work each year. If you are interested in donating supplies for a student we would be so grateful. Included is a list of items most needed by our students. Backpacks are welcomed as well. Thank you in advance to all who choose to bless OWI and the families we serve with your donations.

4 oz. Elmer's white glue	Wide rule comp books	Crayola Classic washable broad-tip markers	2 pocket folders with brads	3x5 ruled index cards
