Greetings Faithful Friends!

We just wanted to give you an update on One Way International. Staff and volunteers are staying home as all have been directed, however we have been in contact with the school principal, SAMM partners, and Kerrybrook management. They all know we are ready and willing to help or provide in any way we can. They just need to give the word.

We are taking this time to pray, listen to sermons online, send cards and e-mails of encouragement to our partners and prepare this newsletter for sending when possible.

In the meantime, we would ask you to be in prayer for those we minister to. As news of the virus broke our teens were concerned and since we were still meeting at the time we talked about it and what their response to it should be. Spring break came and went and then everything began to be shut down. As a result, we have not seen our Kids Club students, teens, or ladies since before Spring Break. Perla has been keeping in touch with the ladies by phone. However, uncertainty brings fear in the form of anxiety, worry, and panic. We of course are concerned for our students and their families.

Please pray for our students young and old as well as their families that they would:

- remember the lessons we have taught
- draw close to the Savior and God they have become familiar with
- understand that for those who have trusted in Jesus, He will never leave them
- trust in Jesus claiming His promise of eternal life and presence in their lives if they hadn't previously trusted in Him
- pray and develop a closer relationship with their Savior than ever before
- replace fear with faith, anxiety with peace, worry with trust, and panic with rest in the sovereignty of God

We look forward to resuming ministry activities as soon as possible. We look for God's direction as to what that activity will be. We will keep you informed as we receive His marching orders to continue to evangelize and disciple those He has entrusted to our ministry. Thank you for your prayers. We are praying for you as well. Receive His encouragement from Psalm 46:1, "God is our refuge and strength, an ever present help in trouble." Thank you for your continued prayers and support.

Gratefully, Joyce Velasquez—Executive Director
