We are thankful for the “all in” attitudes of our faithful and appreciated volunteers at Colonial Hills Elementary School this fall 2021. Please thank God for our volunteers and pray for their daily well-being on campus this school year.

By the start of this school year, it was very encouraging to have four volunteers, experienced and new, to be grade level teacher aides making copies and laminating for all teachers in every grade level. Two aides are volunteering in the library two days per week reshelving literally thousands of books housed there. Two

teacher aides are going into classrooms tutoring students struggling in reading, math, and writing. We are thankful for these eight wonderfully faithful volunteers. If you are interested in helping students struggling to “catch up” because of Covid 19 please see contact information below. These young ones need your help.

**PLEASE CONSIDER JOINING OUR COLONIAL HILLS KIDS CLUB TEAM**

Equally wonderful, we have eight volunteers who have agreed to work with Kids Club Bible club at Colonial Hills one afternoon a week. Club is from 2:30-6:00 pm. However, we must have fifteen volunteers for the club to be safely set up and run.

In order to begin Kids Club the second to the last week of January 2022, we must have fifteen committed volunteers by the end of October 2021. Volunteers are background checked by Northeast Independent School District and trained by Joyce Velasquez, One Way International Executive Director, in partnership with Wayside Chapel. This is a wonderful outreach. Children arrive after school to a Bible club of singing, Bible teaching, games, and snacks followed by small groups and homework helps time.

Please pray about this opportunity of working with mostly fourth and fifth grade students plus their siblings while we teach the Bible, share the gospel, and help them grow in their relationship with the Lord Jesus Christ. Could YOU be the answer to prayer for our Kids Club needs? It is important for us to have at least 2 Spanish speaking volunteers for this ministry. If you, or anyone you know are interested please contact us ASAP.

**WE NEED YOUR HELP !**

**Please contact Joyce Velasquez if you would like to volunteer on campus or for Kids Club after school at Colonial Hills Elementary School. 210-342-0440**
