Time to get organized

January and February were spent getting the office cleaned and reorganized after activities of the holidays. Our mailing list was updated and Aimee and I began to look seriously at the OWI website which is in desperate need of updating. We are looking forward to updating the website home page, adding a look back at 2020 on the newsletter page and a monthly devotional to our blog page by May. Homer has been updating our policies and procedures manual and our 2021 budget has been approved by the OWI board.

We all survived the winter snow of February 2021. An outside pipe at the office broke and water had to be cut off for a couple of days. Homer's and Aimee's families were without power for hours at a time and temps in Aimee's house were in the 40s. They both had broken pipes as well. Pete and I were fortunate to not lose power and no pipes were broken. Even so, it was a time to pray for others and depend wholly on the Lord. I was reminded of the many winters I spent in Moldova and the preparation God provided through those times for what we experienced here this winter.

Once we were able to get back into the office, masks and special snacks were packed and delivered for the February encouragement gift for all staff who work at Colonial Hills Elementary. The staff is always appreciative of the tokens of appreciation provided for their selfless work with the students and families in the Colonial Hills area. Additionally, our most recent OWI newsletter was mailed to update those on our mailing list of our ministry activities.

Thank you for your faithful prayer and financial support.

Please continue to pray for opportunities for us to be a blessing to God's people.
