Kids Club is Back at Colonial Hills!

We are thanking the Lord for the permission to return on campus for after school Kids Club. We have a wonderful team of 14 volunteers and 55 students that come excitedly in the door each time we meet. It was five weeks short of two years absence when we were able to return on campus for this amazing ministry. As I look over the small groups during the second hour of club time, I smile. The students are leaning forward toward their leaders, totally attentive, and enjoying every minute of time they are there. Many students have already recited memory verses we have challenged them to memorize this year. One set of parents comes to pick up their two students and ask each time, "Have they prayed yet?" meaning, is their small group time over? If not, they wait because they don't want their children to miss anything, (and their children don't want to miss out either.)

I announced summer camp to students and both students and parents are excited about the opportunity of attendance at a week-long overnight camp—His Hill Ranch Camp in Comfort, TX. This is a scholarship camp. We provide transportation, a portion of the \$595 cost per student to attend, and snack bar funds for each. Campers and their families are not charged anything to attend this camp. His Hill is allowing us up to twenty-five students to attend this year. Please pray for the students God desires to go to be able to attend whether 1 or 25. We will be accepting registrations throughout March and April for the June camp experience.

Teacher and library aiding continue at Colonial Hills by our eight faithful volunteers, none of whom have contracted Covid this year as a result of their volunteerism. We are grateful for God's protection and so thankful for their bravery to be our campus team.

MORE VOLUNTEERS ARE NEEDED:

If you are interested in teaching ESL or Bible studies for men or women in Spanish and English, please contact OWI at your earliest convenience. There is interest in all three opportunities and volunteers are needed. Phone us at 210-342-0440 or email us at onewayinational@netscape.net

SCHOOL SUPPLIES FOR 2022/23

School supplies will be collected for approximately seventy-five students for the 2022/23 school year. Those attending Kids Clubs and Teen Time will be eligible to register. If you would like to purchase or donate for the purchase of supplies you are invited to participate. Without you this project can't succeed. Supplies are being accepted currently through July for an early August distribution. As always, Bibles, devotionals, and other spiritual items are given with the supplies for students and their families. Following is the list of items needed this year. One Way International has had a twenty-four-year relationship with our brothers and sisters in Christ in Moldova. Moldova borders Ukraine. All the individuals with whom we have worked are making daily trips to the border to give out food and other supplies, pick up refugees and transport to the capitol, give them a place to stay, feed them, and purchase tickets for buses to continue their journey to other places. Some refugees are staying in Moldova; others are meeting relatives and friends in other countries to wait until they can return home or begin new lives in new places. People of Moldova are very poor and yet they are caring for thousands of moms, babies, children, and elderly in very rich ways. Following are photos being taken and sent by Pastor Stas and Alina. Vitaly and Natasha care for the deaf in Moldova and are working tirelessly to care for Ukrainian deaf as they cross the border. The border trips are long, dangerous, and exhausting in very cold and difficult conditions. Please pray for our dear brothers and sisters in Christ.

Whether it's the at-risk children and families with whom we work in San Antonio or the friends and unknown people across the world from us, our message is always the same. **DON'T GIVE UP—YOU ARE NOT ALONE—YOU MATTER!** God has created each of us in HIS image. He has put each of us on this earth for a purpose. He wants relationship with us. It is our calling and privilege at One Way International to be in HIS service. We appreciate your prayers and support more than we could ever express. We thank God for you and pray for you for standing by us and being with us in this ministry. We continue to share the life-saving message of Jesus Christ whether at home or around the world.

Love must be sincere. Hate what is evil; cling to what is good. Be devoted to one another in love. Honor one another above yourselves. Never be lacking in zeal, but keep your spiritual fervor, serving the Lord. Be joyful in hope, patient in affliction, faithful in prayer. Share with the Lord's people who are in need. Practice hospitality.
Romans 12:9-13

*Let us not become weary in doing good,
for at the proper time we will reap a harvest if we do not give up. Galatians 6:9*
*In the path of your judgments, O Lord, we wait for you;
your name and remembrance are the desire of our soul. My soul yearns for you in the
night; my spirit within me earnestly seeks you. For when your judgments are in the
earth, the inhabitants of the world learn righteousness. Isaiah 26:8-9*

It requires many hands to do God's work. Sunflowers are everywhere in Moldova and Ukraine--a symbol and big part of their economies. We appreciate your prayers and support helping OWI "be the good" as we minister alongside HIM.

With gratitude and love from San Antonio and Moldova, Joyce Velasquez—Executive Director
